Camberwell Grammar School has one of the longest established Cadet Units within the Victorian school system. The Cadet Unit provides an outstanding opportunity for boys to learn invaluable team leadership and self sufficiency skills. All this is in the context on an enjoyable unit with a proud tradition.

The Camberwell Grammar School Cadet Auxiliary provides enthusiastic support and encouragement to the Cadet Unit.

The Unit receives funding from the Department of Defence, however there is a need for additional financial support from the school community, and the auxiliary is instrumental in obtaining this.

The additional funding is used to provide items of equipment which enhances safety, efficiency, learning and enjoyment for the boys of the Unit.

Recent equipment purchases, as a result of the auxiliary funding, have included UHF radios, tents and lighting equipment. This safety equipment is available for use by the whole school community.

The Cadet Auxiliary also works to promote the profile of the Unit within the school community and to build on the interface with the Old Boys who contribute significantly to the Unit in general.

The auxiliary is responsible for the supply of the distinctive and attractive name badges for parents, families and friends of Camberwell Grammar School. Order forms are found periodically in the school bulletin or through committee members.

If you are interested in joining the committee, or volunteering to assist in any activities, information can be obtained from committee members or the Development Office.

Please register your interest by telephoning the Development Office on (03) 9835 1742
