The Camberwell Grammar School Friends of Football is a parent body that has been established to support aspects of the school’s football program.

Through social and fund-raising events, it hopes to provide opportunities for further interaction amongst the players and their supporters and to raise the profile of School football within and beyond the Camberwell Grammar School community.

A committee will be formed each year comprising representatives from each year level.

Please register your interest by telephoning the Development Office on (03) 9835 1742
