Camberwell Grammar Friends of Hockey has been established by a parent body and commenced in 2009.

The aim of the group is to support the School and the members of all Hockey teams, by encouraging and providing continuous development and enjoyment of Hockey for all year levels.

Through social and fund-raising events, the group provides opportunities for further interaction amongst the players and their supporters and maintains the profile & presence of School Hockey within and beyond the Camberwell Grammar School community.

The group, with the School’s support, enters teams in the Canberra Quikstix Schools Cup, an annual tournament in December for school-based teams.

A committee is formed each year comprising representatives from each year level.

Please register your interest by telephoning the Development Office on (03) 9835 1742.
