Friends of Library was established in 1998 and evolved from the ‘Book Exchange’ which was first held in 1993. The Book Exchange continues to be our major activity, which benefits both the Senior and Junior School Libraries.

The Book Exchange provides a valuable service to the school community by recycling second hand textbooks in good condition. This benefits both the buyer and the seller, at the same time raising funds for the School. We have been able to provide the Senior School Library with comfortable red chairs, a chess table, wireless connections, online subscriptions and shelving. In the new Junior School Library, we have provided a chess table and a large donation towards the wall murals.

Regular book covering sessions are held in a friendly relaxed atmosphere, and we welcome any new volunteers to assist with these and the book exchange.

Our Libraries are extremely well resourced facilities for use by all boys throughout their years at Camberwell Grammar. If you are interested in supporting your sons’ library, further information can be obtained from committee members or the Development Office.
