- Eligible boys entering Year 7 and above in 2019 who display exceptional musical talent. Applications are invited from boys currently attending CGS as well as those attending other schools. Applicants should check the minimum standard requirements below to see if they are eligible to apply.
- Applications are particularly encouraged from boys presenting on Strings, Woodwind or Brass. However, other instruments will be considered for exceptional applicants. The standard expected for students entering Years 7 and 8 in 2019 is at least AMEB Grade 4-5 or equivalent, and for Years 9 to 12, at least Grade 6-7 or equivalent.
- The school receives a large number of applications and it is not possible to audition all applicants. Consequently, the Director of Music will select candidates for audition based on the completed application form.

How to apply?

- Applications are only accepted online via our scholarship page link www.cgs.vic.edu.au (Go to *Prospective Parents* then *Scholarships*). Applications will be acknowledged by email.
- Those boys selected for an audition will be contacted by email or telephone on Thursday 1 February 2018 and given details of the audition which takes place on Tuesday 6, Wednesday 7 and Thursday 8 February 2018.

Is there academic testing as part of the music scholarship process?

- Yes, those selected for audition who do not currently attend CGS will also be given further details by email on Thursday 1 February 2018 of an academic test on Saturday 10 February 2018 which is an additional requirement to the audition.

If you are selected for an audition?

- The audition will take approximately 15 minutes and an appointment time will be arranged with you by the Music School.
- Candidates selected for audition are asked to prepare two contrasting works for their primary instrument. In addition if you also play a second instrument it would be advantageous to prepare another short piece to demonstrate your attained standard. Aural and sight-reading tests appropriate to the achieved level will also be given.
- Candidates auditioning for Stringed, Woodwind or Brass instruments should provide their own accompanist if required.

What is the cost?

- While there is no initial cost to apply for the Music Scholarship itself there will be an \$105 cost for those selected non-CGS applicants who are required to sit academic testing as part of the music application process.

When will applicants be notified of the results?

- Following the school's receipt of the results of the audition, generally a fortnight or so later, a number of boys with their parents will be invited to meet with the Headmaster. Written offers of scholarship assistance will be posted to successful candidates as soon as possible after the interview has taken place.

How much is the scholarship worth?

- The scholarship provides tuition free of fees on one instrument to be learnt at the school, along with a percentage rebate of school fees.
