Friends of Snowsports aims to promote skiing and snowboarding within Camberwell Grammar School and to provide the opportunity for boys interested in the sport to participate in a varied programme of events.

In the second week of the term two holidays the school conducts a family Snowsport week where Camberwell Grammar families stay on a Victorian mountain and the children enrol in skiing and snowboarding lessons (from beginners to advanced). Race training is also offered.

The focus of the winter season is the preparation for the Victorian Interschool Snowsport Championships. Parents assist the school and the boys with transport and by acting as officials on two realise sessions and during the finals. Successful teams may then qualify for the National Interschool Snowsport Championships.

The Friends of Snowsport organise race clinics, competitions and lessons. There is a cocktail party during the year and an Open Day Snowsports display.

Approximately 50 boys from Junior, Middle and Senior Schools participate in skiing and snowboarding from beginner to advanced levels. Your involvement in the sport would be most welcomed. If you would like more information please contact the Development Office or the committee members.

Please register your interest by telephoning the Development Office on (03) 9835 1742
