All of our students have now completed their major assessments and examinations for the last Semester, including our Year 12 students, who this week sat the GAT. I hope that our students made the most of these opportunities to display their learning and also to discover areas for improvement in Semester Two, which began this week. Mid-Year reports should be mailed out to all parents during the first week of the coming vacation.

Week 8 Activities
A special thank you to all of our staff who made the special activities of last week possible. Our Middle School students seemed to enjoy their Civics and Indigenous Studies, and it sounds as if our Year 9 students had extraordinary experiences all over the country. The Year 10 students have returned safely from Work Experience having gained a small insight into the working environment. Thanks to Mr Rob French and Mr Scott Wyatt for coordinating the Middle School Program, to Ms Kirsty McDougall for overseeing the Year 9 program and to Mrs Lynette Reiger and Mrs Jan Sangster for coordinating Work Experience. I am sure that all students have been enriched by their experiences. We commenced Semester Two this week, so it is now back to the academic studies.

Parent Education Seminar
Our next Parent Education Seminar, held in conjunction with Camberwell Girls Grammar is ‘What Parents Don’t Know About the Online World.’ This will take place at 8.00pm on Monday 20 July 2015, in the Performing Arts Centre. Our guest speaker on the evening will be Ms Sue Ellson, an Independent LinkedIn Specialist and Private Consultant who will discuss the importance of successful strategies, practical tips and advice.

Please make a note of this evening in your diary, and I do encourage you to attend this free seminar. Further information is attached to this Bulletin. I am grateful to Ms Lynette Reiger for organising this seminar.

Rotary International Competitions

Congratulations to Vignesh Alagappan (Year 10) who was sponsored by Rotary International to join selected students in the Boroondara Region to observe the commemoration of the 100 Years Anniversary Service for the fallen from both sides at Gallipoli in Turkey on 25 April. Vignesh submitted an essay, on the topic ‘Seeds of Peace’ and won a trip to Gallipoli. Vignesh shared some of his experiences with the students at yesterday’s Assembly.

In addition to this extraordinary experience, Vignesh competed in the Rotary Four Way Speaking Competition, where he came third in the Regional final, having spoken about his trip to Gallipoli.

From the Health Centre

Our Student Health Coordinator, Ms Rhonda Nicholson has asked that, especially in these winter months, that you do not send your son to school if he is unwell. If he presents at the Health Centre with cold/flu like symptoms you will be contacted to collect your son and asked to keep him at home until he is well. Your assistance with this is much appreciated.

Paul Hicks, Headmaster

Middle School

Semester Two

We commenced classes for Semester Two on Wednesday this week. Most boys will now be following slightly altered timetables and for many, starting their new electives. The boys that I have spoken to this week seem to have thoroughly enjoyed their experiences last week and they certainly relished the extra long weekend! Sport training has re-commenced this week and we have a full round of fixtures this Saturday. Training continues next week with the final round of matches for the term to be played on Saturday 20 June. Coaches will confirm with their teams, but most Middle School teams will not be training in the final week of the term.

Fundraising for Projec10

There was a great buzz in the PAC on Thursday morning when we hosted students from Fintona, Camberwell Girls and PLC for our joint fundraising project. After an initial briefing, the students got to meet with their teams and planned their various fundraising ventures. There were
many excellent ideas generated and it will be great to see the teams put their plans into action over
the next few weeks. All money will need to be handed in by the end of Week 5 in Term 3, and the
total of our combined efforts will be announced. The teams that raise the most money will be awarded
prizes at the Year 8 Social in Term 4, when students from the four schools come together again.

**Middle School Church Service**

Parents, family members and friends are welcome to attend our service at St Mark’s next
Wednesday. The service will commence at 9.30am and will conclude by 10.20am. This end of
term tradition always presents a wonderful opportunity for us to come together, step out of our
usual morning routine and celebrate the end of another busy and successful term.

**National Boys’ Choir**

Well done to Matthew Deayton (Year 7) who performed Benjamin Britten’s ‘War Requiem’ with
the National Boys Choir and the Melbourne Symphony Orchestra at Hamer Hall this week.
This is a wonderful achievement, as only a select group of choir members were given the
opportunity to perform.

**Two-Square Tournament**

There has been quite a buzz in the Atrium in recent days as the annual Two-Square Tournament
got underway. Competition was fierce at each year level as the boys worked through the
preliminary rounds. The tournament will continue over the next two weeks, with the eventual
year level champions set to be announced at our End of Term Assembly. I would like to
congratulate and thank Harry Rice and Oscar Treacy (both Year 7) who have taken on the
organisation of the tournament this year. The boys have done a stellar job so far, with all
money raised supporting local charity KOALA Kids, an organisation that supports young people
who are battling cancer.

*Rob French, Head of Middle School*

**Junior School**

**Jump Rope for Heart**

The Junior School had our ‘Jump Off’ last week. After weeks of practice the boys got to skip
their way through 15 different activities on their way to healthier hearts as well as meeting their
commitments to their sponsors. A big thank you to all the families who sponsored the boys
online and who have already brought in their money. Could all sponsorship money please be
brought to school by Friday 19 June. Once again thank you for the support you have given to
the Heart Foundation through Jump Rope for Heart in 2015.

**Junior School Musical**

The upper primary boys are working hard in rehearsal to present the Junior School musical
*Porridge!* in the last week of term. With a cast of 125 students, tickets will sell quickly.
*Porridge!* opens on Tuesday 23 June with a 1.00pm matinee performance followed by evening
performances on Wednesday 24 and Thursday 25 June. Book now for this ‘not to be missed’
show and make it a sell-out season for our stars of the future. Tickets may be purchased here

**Footy Day**

Footy Day is on the last day of Term 2, Friday 26 June. Please note boys may wear sport uniform
to and from school on that day. They bring their favourite team’s gear (such as a jumper, beanie
or scarf) and get changed into, and out of that at school. Thank you to the Friends of Norge
who will be cooking a BBQ of sausages for lunch, cupcakes and juice will also be on offer for this
event. After lunch the boys will head to the JTO where the School’s First XVIII Football Team will
lead the boys in activities and skill drills.

*Howard Kelly, Head of Junior School*

**Sport**

Sport is back on again this weekend so good luck to all teams for Round 6 of the AGSV Winter
Season. Next week is the last week of training for the term with Saturday 20 June being the
last round of official matches. There are a couple of teams that will play some catch up
matches in the last week of term but they know whom they are.

The main focus of the last week of term is the ‘Change of Summer Sport Preference Week’. Any
student wanting to change their summer sport must do so during this week. After that week it
will be much harder to move students around as teams/squads are organised during the term
break. See Mr Watson during the last week of term for a form to change your summer sport.

*Jamie Watson, Director of Sport*

Work Experience 2015

169 Year 10 boys left the safety of school last week to undertake a variety of work experience placements. Those photographed below include Matthew Harrison who found a spot with a 3D printing company in Hawthorn, Jack Jia who looked the part of a bona fide real estate agent at Jellis Craig, Duke Wang who found himself both making and ‘testing’ donuts at a Patisserie in Balwyn, and Josh Cooper who spent his week working in the office of the Minister of Defence Kevin Andrews.

Thanks to the Heads of House and House Tutors who took time out from busy schedules to visit the students. Particular mention must be made of Mr Hamish Green, who so much enjoyed his visit to see Tom Cutter at Cole Clark Guitars in Bayswater, he spent an unprecedented hour and a half there.

The Academy of Design is hosting a range of free folio workshops for VCE students. On Saturday 27 June from 10.30am to 12.30pm ‘Undertaking the Folio’ will provide tips for creating your best work, with some analysis of past student folios.

### Swap Shop

**Opening Times**

The Swap Shop will be open each Wednesday from 3.00pm to 4.30pm and every Saturday from 10.00am to 12noon. We look forward to seeing you in the shop very soon!

Now that the winter sports season is upon us, the Swap Shop is selling old style football jumpers for $5.00! These tops are only to be worn for training sessions but can be worn while training for all the winter sports, particularly the outdoor based activities of football, soccer and hockey. Using these tops for training means that the regulation tops can be kept clean and dry for the weekend matches, saving time and washing mid-week! We have predominately long sleeved versions in stock, but we do have a few sleeveless tops available - first in best dressed for these though! The old style short sleeved sport tops are also still available if preferred and they are $5.00 each as well.

**Preloved Football and Soccer Boots**

The Swap Shop is now collecting preloved football and soccer boots on behalf of the School Sports Department. Please bring any boots that are no longer required to the Swap Shop during opening hours and we will arrange for them to be put to good use once again.

CGS Hockey - Bonded Polar fleece full zip jacket.

In an effort to find a warm alternative for those winter mornings waiting for the game to start or while the boys are on the bench, Friends of Hockey have organised for polar fleeces to be made up with the School emblem. We have sizes small to large in stock, the XL and 2XL have already sold out and we will be taking orders for larger sizes for our next production run.

The Polar Fleece is the heaviest fabric we have been able to source (350gsm), it will provide a lot of warmth and it should also offer a degree of wind protection. They will be available for $40.00 each which is below cost as Friends of Hockey are paying for the embroidery and the set-up. The sizing is shown in the table below however from the samples we have received so far the size is not overly generous. The chest measurement is directly under the arms and is the exact size of the jacket it is therefore worth taking into account that the boys will be wearing tops underneath. The length is from the top of the collar to the bottom of the jacket. Trying one of the samples to check sleeve length and body fit is the best way of determining the size required. The Polar Fleeces will be at the Development Office.
