Welcome Back to Term 4

A very warm welcome back to all members of our Learning Community to Term 4. I hope that all families enjoyed the break from school routines, and that our students were able to take the time to rest and to gather their strength for the big term which is ahead of us. In particular, I know that our Year 12 students made good use of their time to consolidate their studies, and to sit practice examinations in the third week. We wish them all the very best as they make their final preparations for the coming examinations.

Open Day – Saturday 10 October

We hope that the weather will be kind to us tomorrow when we will again be hosting our Annual Open Day (Saturday, 10 October) from 10.00 am until 2.00 pm. Our Parents’ Associations have again done an extraordinary job in preparing and organising a range of activities and stalls for the day. We welcome you all to Open Day and hope that you will enjoy the opportunity to be a part of our community for a day, and to see some of the varied activities which take place at our School. The day gives us not only the chance to present our School to the broader public but also to come together ourselves and to celebrate our own community.

Our Cadet Passing Out Parade on the Jack Tobias Oval (JTO) at 1.00 pm is always one of the highlights of the day. We are delighted that our Cadets will be inspected this year by Lt Col Andrew Butler, (CGS 1976). We are very grateful to him for finding time in his busy schedule to make a visit to Camberwell Grammar School and I am sure that the members of the Unit will present themselves in an exemplary way for his inspection.

Unfortunately, there will be no parking for parents and visitors on site on Saturday since the Jack Tobias Oval will be in use for Parade and all car parking spaces will be taken up by staff and others involved in displays. I ask in particular that cars are not parked on grass nature strips or across the driveways of surrounding streets. We do ask for the co-operation of all our visitors in this so that neighbouring residents are not inconvenienced.

Please feel most welcome to attend if only for a short time, and I look forward to meeting and seeing many of you there. I also wish to thank in advance those of our students who have volunteered to act as tour guides or participate in other activities throughout the day.

Traffic Concerns

Please continue to be vigilant and careful in the mornings and afternoons as you deliver your sons to school. We have been made aware of a number of incidents in recent days as drivers lose patience in the peak periods. May I again ask you to drop your sons some distance from the school and have them walk the rest of the way? The streets surrounding our school were never intended to deal with large volumes of traffic and become congested very quickly. As the weather improves it is good for our students to walk to school and this would help the situation considerably. Once our new development is completed we will have additional drop off and pick up areas and this should help, but in the meantime, please assist us in this matter.

School Appointments for 2016

I would like to congratulate the following students on their appointments as Prefects in 2016:

### Student Exchange to St Edward High School, Ohio, USA

We are pleased to be able to offer a new student exchange opportunity to Camberwell Grammar School students. Mr Michael Perrins, Director of International Programs at St Edward High School, Lakewood, Ohio is linked to our school through his nephew, who graduated from Camberwell Grammar School in 2009.

St Edward High School is a thriving Independent Boys’ School just outside Cleveland, Ohio - with a good academic record and strong sporting tradition. We are looking to partner with St Edward’s to strengthen the opportunities for our students to deepen their understanding of another country’s culture and traditions and provide opportunities to forge friendships beyond our shores.
This exchange opportunity is open to boys currently in Year 9, to be undertaken next year – hosting students from St Edward High School in February 2016 and heading to the USA on exchange in early September 2016 (end of Term 3 and some of the holiday period). If your son is interested in this opportunity, please email our Deputy Head, Ms Rachael Falloon, raf@cgs.vic.edu.au for more information.

**Australian National Rubik’s Cube Competition**

Over the last weekend of the school holidays, the Middleton Theatre was alive with the sounds of clicking Rubik’s cubes. Camberwell Grammar School hosted the Australian National Rubik’s Cube Competition 2015. With participants coming from all over Australia, the stage was filled with over 120 competitors and their families. Arman Cakmakcioglu, Hamish Monckton, Hugh McGlone, Ming Jin Low, Mitchell Reid, Oscar Cheung, Rhys Campbell, Vishal Kotecha (Year 7) and Ming Kim Low (Year 9) participated in the competition and many personal records were broken over the weekend.

**2015 Alliance Française Competition**

Earlier this year, 39 students of French in Years 11 and 12 participated in the annual French orals competition conducted by the Alliance Française de Melbourne. This year our VCE students received a total of 14 Credits, 9 Distinctions and 3 High Distinctions. Three of our Year 12 leavers, Edan Runge, Nicholas Hansen and Max Harper, together with Year 11 student, Pierre Bougeois, were awarded perfect scores in the first round of the competition and were subsequently invited to participate in the State Finals. At yesterday’s Assembly I had the pleasure in presenting Certificates to those finalists, and also to the following Year 12 students Neelan Josan, Mitchell Linley and Justin Tu, who each scored a High Distinction in this competition.

**National Chemistry Quiz**

In July, a group of Year 11 and 12 students were invited to participate in this year’s Australian National Chemistry Quiz. Each year, there are over 120,000 entries from over 1,400 schools across Australia and the Asia-Pacific region. This year, Camberwell Grammar students achieved a total of 25 High Distinction and 16 Distinction awards. Those who scored in the top 10% of the state have been awarded certificates of High Distinction. At yesterday’s Assembly the following students were presented with their certificate of High Distinction:

- Miller Medina: Gold (Open 4 X 100m relay)

**Fencing**

The Fencing season concluded late in Term 3. Our Fencers continued their outstanding season with the senior team of Ned Fitzgerald, Jasper MacCuspie (both Year 12) and Alex Demarte (Year 11) being named the Champion Team and taking out the Lawrence Cup for the 2015 season. Congratulations to all our Fencers. At yesterday’s Assembly Ned Fitzgerald, Captain of Fencing presented the Cup to the School.

Congratulations also to Ned who received the Shield Award for the highest overall individual ranking in the School’s competition – Senior Secondary Epee – Male.

In addition, three fencers, Alex Demarte, Liam Mitchell (Year 12) and James Gordon (Year 11), were awarded scholarships to fencing clubs based on the potential they have shown this year.

**2015 World Championships**

Congratulations to Andrew Holloway (Year 12) and Callum Gosbell (Year 11) who represented Australia in Hungary at the ICF Canoe Marathon World Championships in the Junior Mens K2 division – a 22.2km race. Andrew and Callum competed in what was a physically tough and tactically strong race against 28 other boats from 25 countries to place 21st in the world.

**Term 4**

It was great to see the boys back en masse as we launched into Term 4 on Monday. Many were sporting sun tans from their holiday destinations and all appeared to be fit and healthy. It certainly promises to be a busy ten weeks ahead, with several exciting events coming up. To name a few, we have the annual Year 8 Social on Friday 23 October, a run/walk for charity on Wednesday 28 October, the House Swimming Carnival on Friday 6 November and the Year 8 camp at Kangaroobie, commencing on Monday 30 November. More information about these, and other events will appear in future editions of the Bulletin.

As well as the different activities on offer, it will be a busy time in the classroom, and many of our boys will be experiencing their first examinations, set to commence on Wednesday 18 November. To undertake an examination period is invaluable for our Year 7 and 8 boys; however, it can be a stressful time. Form Teachers will be running sessions on study skills and examination techniques in PSC classes in the coming weeks. All in all there is a great deal to look forward to and I am very much looking forward to a busy and fulfilling Term 4.
**Open Day**

The first major event of the term is Open Day, which is being held this Saturday from 10.00am to 2.00pm. The boys have been working with their Form Teachers this week to select various activities in which to participate on the day. Many things are on offer and it promises to be an enjoyable day for the boys as they act as ambassadors for our School. We do expect all of our boys to be involved in the day, and I know that many prospective families will be most interested to meet with our current students.

**Cadet Camp**

Several of our Year 8 boys attended the Cadet Camp over the holidays. They have returned to school speaking about the wonderful experience, with their mock ambush of the older boys a major highlight. There will be an opportunity later this term for boys who did not attend the camp to join the Cadets in readiness for next year.

**Summer Sport**

Training has commenced for our summer teams in preparation for the season ahead. Fixtured games commence on Saturday 3 November, with the final round this term on Saturday 21 November. The season then continues in 2016.

**Year 8 Academic Challenge Day**

A team of Year 8 boys ventured to Kingswood College on Thursday to compete in the Academic Challenge Day. Events included public speaking, code breaking, engineering, poetry, art and general knowledge. This year teams were made up of members from the different competing schools, which made it a thoroughly enjoyable and a social occasion. Well done to team members Christopher Han, Liam Naser, Jake Oh, Dean Roff, Aksel Salins, Julian Scaturchio, Harley Beechey and Jason Einhart. My thanks to Mr Paul Double for coordinating the team.

Rob French, Head of Middle School

**Junior School**

It was so good to have the boys back at school refreshed and excited about the term ahead. I was delighted to hear about their holiday adventures, some around home and others visiting distant lands. Either way, there were plenty of opportunities to have fun, learn new things and enjoy the company of family and friends.

Term 4 is laden with opportunities for boys to demonstrate how much they have grown and mastered over the course of the year. There is no better feeling than completing the year knowing you have given it your best effort in terms of what you achieve and how you behave. I am sure the boys have thought carefully about their goals and aspirations for the term ahead. We are all looking forward to Open Day tomorrow and the opportunity to celebrate both what our School has to offer and those who make what it is – the boys, teachers and parents.

Open Day activities in Junior School commence at 10.00am with the Percussion Ensemble on the Junior School Green. Throughout the day there will be performances by various Junior School music groups, as well as the opportunity to visit classrooms and enjoy food and activities. We are in for a grand day and I look forward to sharing it with you and your families.

**Science Talent Search**

Camberwell Grammar Year 5 students Brendan Tse and Hamish Campbell-Cowan (Major Bursaries), along with James Casale, Leon Fei, Leeshan Navaneetharaja, Campbell Rowland, Maxwell Boyle, Gregory Kerdemelidis, Jamie Kohlmann, Mathieu Ly and Hari Ganesvaran (Minor Bursaries) have recently been informed they are to be rewarded for their scientific work. With the help of their Science teachers, Mr Xavier Davis, Mr Nathan Jones and Mr Rohan Clark, the boys entered the Victorian School’s Science Talent Search, run by the Science Teachers’ Association of Victoria. Science Talent Search is an annual event and is open to all primary and secondary students up to Year 12.

The young scientists have been invited to attend the Presentation Day on Monday 23 November, held at LaTrobe University, Bundoora. Over 800 winning entries will be on public display. The boys are congratulated on being awarded bursaries. Brendan’s high level of work has gained entry into the 2016 BHP Billiton Science and Engineering Awards.

Xavier Davis, Junior School Science Coordinator

**Life Education**

As part of the Health curriculum the mobile van from Life Education Victoria will be visiting the Junior School from Tuesday 13 October to Thursday 15 October. During this time each class is scheduled to have a class lesson tailored to suit the needs of the students. Some examples of topics are healthy food choices, safety with medicines, passive smoking and issues relating to alcohol. A parent information session is being held on Tuesday 13 October 8.30am to 9.00am in the Life Education Van. This session will enable parents to visit the Mobile Unit and see an
audio-visual presentation that explains the topics discussed and the approach used by Life Education. These are extremely important, as the concepts introduced need to be reinforced both at home and at school. We hope you will join us for this session. If you are interested please fill in the sheet sent home with your child and return it as soon as possible as numbers are restricted.

Caroline Gatley, Deputy Head Curriculum

Junior School Soiree
The Term 4 Junior School Soiree for soloists will be held on Thursday 29 October at 6.00pm in the Music and Movement Centre. Instrumental students wishing to participate should collect a form from the Music and Movement Centre and take it to their music lesson so that teachers can fill out the performance details. It is important that music teachers assist their students in the preparation of their performance pieces. It is anticipated that the Soiree will finish close to 7.30pm. This will be the last Soiree for soloists this year.

Summer Uniform
Boys may choose to use the first month of Term 4 for transition from winter into summer uniform. However, after the Melbourne Cup weekend all boys must be in summer attire. Irrespective of summer or winter uniform, hats must be worn from the start of Term 4.
A Term Calendar has been sent home with your class Term Letter – please keep it on the fridge for easy reference. We have an exciting and busy term ahead.

Howard Kelly, Head of Junior School

Sport
Summer Sport Training has commenced with the season to begin on Saturday 24 October. Your son will be sorted into his team over the next few weeks so please email me if you are unsure about what team they may be in.

Congratulations to the annual CGS Golf Champion for 2015, Tony Chen. A remarkable effort from a Year 7 student new to the school. Well done also to Callum Gosbell (Year 11) and Andrew Holloway (Year 12) for their recent tour to Hungary for the World Canoe Championships where they finished in 21st place.

A reminder that the Winter Sport Change of Preference Week is nearly upon us, and will be held from Monday 26 October to Friday 30 October. Forms can be collected from the Sports Office at that time.

Jamie Watson, Director of Sport

Music Exams
Many boys are about to sit their AMEB Music Exams either here at school or at the Examination Centre studios in Hawthorn. Once again the range of instruments and grades is very varied and I wish them all the very best.

The VCE Music Performance Exams have begun and once again our Music School is hosting many of the exams over four weekends in October. The VCAA considers the ‘John Mallinson Music School’ one of the pre-eminent music centres for these exams and candidates come from Metropolitan and Country Victoria to perform their recital programme. Special thanks to Mr Michael Neal for opening and closing the building and its rooms during these weeks.
Concert

DVDs of the August and September School Concerts are available to order from the Audio Visual Department. Please email Mr Stuart Feldt on saf@cgs.vic.edu.au to order your copy.

Monash Community Leaders Scholarship

The Monash Community Leaders Scholarship rewards students who make a difference through leadership and community involvement. Scholars are awarded a $4,000 payment for each year they are selected. To be considered, students must be chosen as an Access Monash Ambassador. Apply at monash.edu/access/about-ama by Friday 30 October at 5.00pm. All students selected for the ambassador program are automatically considered for the scholarship. Find out more here.

Monash Pathway Courses

Diploma of Tertiary Studies (DoTS)

The Diploma of Tertiary Studies provides a backup plan for students who want to study Business, Education or Nursing. This one-year, full-time course is equivalent to the first year of a university undergraduate degree, and upon successful completion of the diploma, students will enter directly into the second year of a range of Monash degrees.

Diploma of Higher Education (DoHE)

This one-year, full-time pathway course is designed for students who want to study a Bachelor of Science or a Double Degree in Science and Education at Monash, but did not receive the ATAR they needed. If they complete this course successfully, they can apply to enter second year in several mathematics and science courses, and gain credit for the subjects they have already studied.

To apply for these courses, students will need to have completed either:

- Year 12 with an ATAR of at least 65 (for DoHE) or at least 50 (for DoTS)
- Have met the relevant English prerequisites*
- Have completed an online supplementary form, including why they want to study at Monash

*Australian VCE subjects: Units 3 and 4 - a study score of at least 30 in English (EAL) or at least 25 in English other than EAL. For more information about Monash course pathways click here.

For more information on the range of university extension studies available, refer to the attached careers newsletter to this Bulletin.

Friends of Library

Each year, Friends of Library assist the School by wrapping the books which are given as Academic Prizes at the Prize Giving Assembly. This year there will be two wrapping sessions, both coming up this week:

Wednesday 14 October 1.00pm to 3.30pm
Friday 16 October 1.00pm to 3.30pm

The book wrapping sessions will be held in the Upper Tower Room of the Performing Arts Centre. If you are able to help, even for half an hour or an hour, it would be very valuable. Please contact Robyn Frampton on 0419 101 117 or robyn@frampton.com.au to advise your availability. We look forward to seeing you there!

Friends of Basketball - General Meeting
Date: Tuesday 13 October
Time: 9.00am
Location: Development Office, all welcome

Call for new committee members
Friends of Basketball are calling on CGS Basketball families to join their committee. Please contact Jessie Stasiak in the Development Office on dvt@cgs.vic.edu.au or 9835 1742 if you would like to become a committee member.

Please see the attached flyer to this Bulletin for the Friends of Basketball Season Launch.

Swap Shop
Opening Times
The Swap Shop will be open each Wednesday from 3.00pm to 4.30pm and 10.00am to 12noon every Saturday (except Melbourne Cup weekend) in Term 4.
Thanks to all the parents that took the opportunity to clear their cupboards of preloved football, soccer and hockey boots. We had a good response to our call this year, so keep an eye on the Bulletin at the end of Term 1 2016 as we will advertise our ‘Boot Drive 2016’.
We still have a good selection of sizes in the old style short sleeved sports top. This top is great to have for any after school sport training, thereby saving the regulation top for match day. Still priced at only $5.00 each, come in and pick up one as soon as possible!

Seamstress
Recently our in-house seamstress has become unable to do our mending and repairs so we are looking for a parent or grandparent with tailor/seamstress skills that would be able to do some work for us. If you are interested or know of someone who might be able to do this please contact the Development Office (9835 1742) or email Cathy Garrard on swapshop@cgs.vic.edu.au.

Cam Gram Gourmet - a small amount from each purchase is donated to the Scholarship Fund
Honey for Sale
Pure Cathedral Valley Honey is available to purchase from the Development Office.

Leaping Goat Extra Virgin Olive Oil
This delicious, award winning extra virgin olive oil is now available for purchase from the Development Office, at a special discounted price for Camberwell Grammar School.
250ml - $10.00
500ml - $20.00

Fiebre Coffee Beans
In addition to the olive oil and honey, the Development Office now has free trade coffee available for purchase. The coffee beans are available in light, medium or dark roast and come in 250g bags ($14.00) or 500g bags ($24.00).

Return Time: Approximately 4.00pm
Cost: $100 per person (this cost includes coach hire, entry to exhibitions and lunch).

Bookings strictly close: Friday 16 October

“The Archibald Prize, first awarded in 1921, is Australia’s favourite art award, and one of its most prestigious. Awarded to the best portrait painting, it’s a who’s who of Australian culture – from politicians to celebrities, sporting heroes to artists.

Since 1921, the Archibald Prize has been thrilling art enthusiasts, often stirring up controversy and always challenging the way we see ourselves and our society. Over the years, the prize has been awarded to many of Australia’s most prominent artists including Nora Heysen, William Dobell, Brett Whiteley, Ben Quilty, Tim Storrier and Fiona Lowry. The Art Gallery of Ballarat is proud to be the exclusive Victorian venue for the 2015 Archibald Prize, which is a touring exhibition of the Art Gallery of New South Wales.”
