Season’s Greetings

As this is our last Bulletin for 2015, I would like to take this opportunity to thank everyone for their contributions in making Camberwell Grammar School the place that it is. 2015 has been a very busy and productive year for our School, I am very grateful to all of our members – teachers, parents and students – for the contributions you have all made over the course of the year, and for helping to make this such a warm and rich community.

All of our students have undertaken learning journeys this year, and all of them have come a long way. I wish them well for their final results, knowing that, whatever the results, they are just a platform on which to build more learning. In particular, I look forward to the leadership that next year’s entire Year 12 level will give to our School, whether in a formal role, or as a member of an impressive group of young men. I feel our future is in good hands when I see the confident and articulate way these students express their views and tackle difficult topics.

I hope the coming weeks allow our families to enjoy a more relaxed pace at home or on vacation, and to spend some time simply enjoying each others’ company. I hope that our students too, have the opportunity to reflect on the true meaning of Christmas and taking time to give thanks for all the blessings we enjoy daily. I look forward to another wonderful year in 2016.

Service of Nine Lessons and Carols

May I remind all of our school families that our Annual Carol Service will take place at 8.00pm on Wednesday 9 December in St Mark’s Church, Burke Road, Camberwell. Following the Service, Friends of Music are hosting a supper in the Church Hall and all members of the congregation are warmly invited to join us. This is a lovely way to end the school year and an opportunity to get together prior to Christmas. Please ensure that you arrive early at the Church as I am sure that this year will be particularly crowded.

Junior School Christmas Service

Parents and friends of our Junior School children are also warmly invited to attend St Mark’s Church, Burke Road, Camberwell on Thursday 10 December at 11.00am for the annual Christmas Service. This too is a very enjoyable service involving our younger students, and will be their final event for the school year.

VCE Results and Assistance 2015

We eagerly await the publication of our Year 12 results which will be available from 7.00am on Monday 14 December 2015. Mr Marcus Jones (Year 12 VCE Co-ordinator), Mrs Lynette Reiger (Careers Counsellor) and Mrs Paulene Clarke (Counsellor) will be available to assist students with the interpretation of their results and to review their post-secondary course selection and change of preferences during the week Monday 14 December until Friday 18 December 2015 in the Student Services Office. Changes to preferences must be made to VTAC by noon on Monday 21 December 2015. We wish our students well and hope they receive the results they deserve.

After the VCE Results – Information Session

On Tuesday 15 December between 4.00pm to 5.00pm in the Quinn Theatre, Wheelton Centre, Mrs Lynette Reiger, Careers Counsellor, will be holding a workshop to brief students and parents about the processes that follow the results and what to expect in January regarding offers and the transition into post VCE tertiary study. The session will also address procedures for enrolment and deferment. It is provided in addition to individual change of preference and career counselling interviews.

Further details regarding the VCE Results and Assistance, and the Information Session are in the flyer accompanying this Bulletin.
Year 8 Camp at Kangaroobie

Last Tuesday, Ms Rachael Falloon and I were delighted to spend a day with our Year 8 students and staff at Kangaroobie, and to join them on their end of year camping experience. This transition camp eases the way into Year 9 and students have had the opportunity to meet their House Heads and Tutors in this less formal environment. I am once again grateful to Ms Kirsty McDougall who coordinated the program.

The Year 8 students, having returned from their week at Kangaroobie, will now turn their focus to the Transition to Senior School Program. This program runs from Monday 7 December through to Wednesday 9 December, with the boys concluding their academic year at 1.00pm on Wednesday.

Australian Scout Medallion

The Australian Scout Medallion is the highest achievement for a Scout. I am very pleased to announce that Lochlan Paterson-Crisp (Year 9) was presented with the Australian Scout Medallion on Saturday 14 November in a presentation attended by hundreds of people from across Victoria. This award requires outstanding leadership, a positive role model and a high level of practical Scouting knowledge.

Lewis Clarke - Pacific School Games

Congratulations to Lewis Clarke (Year 5) who represented Victoria at the Pacific School Games Swimming Championships held recently in Adelaide. The standards were exceptionally high, and Lewis swam extremely well, setting a new personal best in all his individual events.

Constitutional Convention

I am pleased to have been recently notified by the Department of Education and Training that Addison Peers-Johnson and James Ramm (both Year 11), have been selected as Victorian delegates at the 2016 National Schools’ Constitutional Convention in Canberra from 16 to 18 March 2016. The Constitutional Convention’s program aims to increase young Australians’ knowledge about the Australian Constitution and the role it plays in our democracy. The Convention provides an opportunity for students in Years 11 and 12 to explore contemporary constitutional issues and encourages students to become better informed about the Australian system of Government. We look forward to hearing about the boys’ experiences.

Boyd and Balfour Exhibition

On Saturday 5 and Sunday 6 December our Studio Art Teacher, Mr Kevin Boyd and past student Jack Balfour (2014) will be holding an exhibition and sale of handcrafted ceramics, stoneware, porcelain and raku at 8 Kitchener Street Deepdene. Further information regarding the exhibition can be found on the flyer attached to this week’s Bulletin.

Summer Vacation Activities

Over December and January, a significant number of our students will be involved in school related activities. Some of the highlights of the vacation program include:

Tasmania Trek

Twelve Year 8 students will head off on the 50th Tasmania Trek on Friday 11 December. The group will undertake a five-day hike in the Tasman National Park before spending a night in Hobart and returning to Melbourne on Thursday 17 December. The hike route will take the group through some spectacular bush with magnificent views of Tasmania’s wild coastline.
Bali
Last Tuesday Year 12 students, Edan Runge, Angus McIlroy and Alistair MacGillivray (ex Year 12) left for Bali to spend a week working for the Bali Children Foundation’s orphanages, of which Mr Paul Wheelton is a Director. They will be travelling from the south to the north of Bali, and will be taking much CGS sporting equipment with them!

Kayaking
The Kayaking Squad will be taking part in The Ben Ward 40 Mile Race on Saturday 12 and Sunday 13 December. It will run from Cobram to Tocumwal.

Army Cadet Unit – Courses Camp
Leadership Courses will be conducted for our Cadets by the Australian Army Cadets at Puckapunyal Army Camp from Saturday 5 to Saturday 12 December.

Table Tennis
Table Tennis (selected students) will be involved in the HWATT AGSV/APS Training Camp from 12 to 14 January 2016 at MSAC.

Cricket
The First XI Cricket Team will travel to Toowoomba Grammar in Queensland from 14 to 19 January 2016 for the annual Neil Dansie Festival.

Triathlon Squad
The Triathlon Squad will be involved in Race #3 held on Sunday 17 January in Elwood.

Swimming
The AIS Swimming Tour to Canberra will be held on 18 to 22 January 2016.

First VIII Tennis
The First VIII Tennis Practice Match v Trinity NSW will be held at 8.30am on 19 January 2016, on JTO at School.

I would like to thank all staff involved in these vacation activities, our students are very fortunate that our teachers are prepared to give their vacation time to provide such rich and rewarding experiences.

Australian Youth Orchestra’s National Music Camp
Emre Cakmakcioglu (Year 9) will be participating in the Australian Youth Orchestra’s National Music Camp at ANU, Canberra in January. The best young players from all over Australia, from both Secondary School and Tertiary level, will participate in a program encompassing all aspects of the preparation and rehearsal of full-scale symphonic or chamber orchestra repertoire. Emre will attend rehearsals with internationally recognised conductors; have sectional rehearsals and tutorials under the guidance of some of Australian most respected and skilled musicians; have public performance and live broadcast opportunities and experience professional development seminars.

ICAS Science Competition
Recently three Camberwell Grammar boys, Julian Scaturchio (Year 8), Charles Li (Year 9), and Howard Yang (Year 10) attended an awards ceremony at the Convention and Exhibition Centre and were awarded medals in the ICAS Science competition. This competition is open to students across Australia and it is a great achievement to be awarded such a prestigious prize.

Term Dates 2016
Parents and students are advised that Term 1, 2016 will start for students on Thursday 28 January 2016, although some students will be here before then for various orientation activities. Term dates are given in the box below.

Please take these dates into account when planning overseas and interstate trips. Whilst it is unavoidable that, from time to time, some parents do have to ask permission for their sons to leave early at the end of a term or arrive late at the beginning of a new term, our programs do run for the entire period of term time, and it is so much better if students can be here with the rest of their cohort for a complete term.

The School’s offices will close at 12 noon on Friday 18 December 2015 and will reopen on Monday 11 January 2016.

On behalf of all my colleagues at Camberwell Grammar School, all the very best for a joyous Christmas and a safe and relaxing summer holiday.

Paul Hicks, Headmaster
Middle School

Kangaroobie

The Year 8 boys had a wonderful week at Kangaroobie. From all reports they managed the challenging hike component very well, despite windy conditions. There is a great range of activities on offer at base camp and I am sure that they will be feeling fit and healthy (although a little tired) on Friday. The estimated arrival time is 4.30pm. Updates to this arrival time will be posted on Twitter throughout Friday (@CGSCamps).

Stepping Up Day

We welcomed current Year 5 boys to Middle School on Thursday for a ‘Stepping Up Day’. After the new Form Groups were announced they spent some time with their 2015 Year 6 Form Teacher. Other activities included Art, Science and an introduction to the Library. It was a great day and I trust that the Year 5 students are looking forward to their move to Middle School next year.

National Training Centre Soccer Squad

Well done to Tristan Patsiotis (Year 8), who was recently selected to join the National Training Centre elite squad. This group will play several interstate games and is the main feeder into both the Australian Institute of Sport and the Joeys, which is the Socceroos’ Junior team. We wish Tristan well.

Last Week of School Routine

Year 8 boys move straight into their Year 9 transition week when they return to school on Monday. They will finish school for the year on Wednesday. Our Year 6 and 7 boys will enjoy their Orientation/Transition Day on Tuesday, and several will be involved in the Carols Service at St Mark’s on Wednesday night. Thursday is our last day of school for the year. Morning classes will run as normal before we come together in the PAC for a final Assembly at 11.45am. The boys will be dismissed straight from the Assembly at 12.30pm.

Thank you so much to our boys and parents for what has been a brilliant year in Middle School. This is a vibrant and energised community and it is a privilege to work with our boys as they navigate their Middle School years. Their constant good-natured cheer makes it a wonderful place to be each day. I wish all a safe and happy Christmas and I look forward to seeing our current Year 6 and 7 boys returning healthy and relaxed after the summer break. I wish our current Year 8 families all the very best as they transition to Senior School and I look forward to catching up in the future.

Rob French, Head of Middle School

Junior School

How quickly the school year seems to have gone! In a handful of days the school year will conclude and the Junior School will bid farewell to a wonderful group of Year 5 boys, thank them for their contribution to the school, and wish them well in their next stage of schooling.

The recent Ensemble Soiree, Junior Athletics, Billy Cart Derby and Year 3 Camp capture the essence of what we believe about being a great school for boys. Boys playing musical instruments, performing and singing in choirs, boys participating in the athletics and sports programs, and working hard on their academics - these are boys developing and deepening their character and humanity.

It is through these experiences and hundreds of others like them, such as the Year 4 camp at Anglesea, Year 5 at Lancefield and the Year 3 Gundwindi Camp, that our boys learn a lot, including much about themselves. They develop a sense of belonging as they share their ‘journey’ with others. That journey will not always be easy going, and quite often it is when times are tough, or when we feel out of our depth, that we learn the most. But there will always be those wonderful moments, those joyful times of celebration and achievement to nourish us. Over the course of the year much has been achieved. Some of it has involved significant changes, much has been fine tuning. What enables us to become better as a school, as a community, is the quality of the partnership between home and school. Our Junior School is blessed with an incredibly supportive community, and they show it in a lot of ways – working together to solve problems, checking diaries, friend and fundraising events, helping out in classrooms, Open Days and barbecues. It is all important – it all matters – and it all makes this a better place for your sons. I am extremely grateful to all who have contributed and especially our ‘Friends of Norge’, who under the dedicated leadership of Mrs Mary Alexandrakis, Ms Linda Wang and Mrs Vivienne Vago have added great value to our Junior School experience.
Music

What a splendid week of music making this has been. On Wednesday evening, the instrumentalists of Junior School entertained their large audience at the Ensemble Soiree, with music items across a broad range of styles. The Junior School Orchestra, grown to large membership over the year, opened the concert with a flourish and the evening concluded with an ethereal ‘Star Wars Medley’ played by the Flute Ensemble with pipe organ. In between was an amazing array of group performances both large and small. It is wonderful to see so many courageous boys enthusiastically sharing their love of music with their friends and their parents. Special mention must be made of the Junior School Staff joining in the spirit of the evening with their rendition of the ‘Hallelujah’ Chorus.

On Friday afternoon, it was the turn of our youngest students to take over the stage of Middleton Theatre with their musical performance of How the Penguin Saved Christmas. All students from Pre-Prep to Year 2 sang and danced with wonderful energy as they celebrated the end of the school year with their families.

Music in the week ahead will change its focus with the Year 5 Ensemble performing at their Graduation ceremony on Tuesday evening and final Assembly on Wednesday. To conclude the school year, the Junior School Choir and Chamber Singers will lead the worship at our Junior School Christmas Service at St Mark’s on Thursday at 11.00am. We hope you enjoy sharing the joy of music with these enthusiastic boys.

Helen Thomas, Junior School Music Director

Final Day Dismissal – Thursday 10 December

The Christmas Church Service will finish at approximately 12.00 noon and all boys will be dismissed from the church to leave with their parents. This impressive service brings our year to a fitting conclusion and all families are invited to attend. The boys prepare special Christmas Carols for you to enjoy. We kindly request that cameras are not used during the Church Service.
Please note the following:

- On this day, boys are to bring recess, not lunch, to school in disposable bags. We ask that school bags are not brought to school.
- For this special occasion school uniform should be worn in the best possible condition with polished shoes and no jumpers, unless the weather is unseasonably cool.
- At the conclusion of the service parents are asked to leave through the main doors immediately following the procession of the choir.
- Boys are dismissed for the holidays at the conclusion of the Church Service, Year 3 to 5 through the main doors at the rear of the Church; Pre-Prep to Year 2 through the side doors to be collected from inside the gates to the car park.
- Please note that there will be no After School Care on this day. No boys will return to the Junior School.
- Friday 11 December is a staff only day.

On Tuesday and Wednesday morning, boys will walk to St Mark’s for rehearsal. The boys are busily preparing for our Christmas Service and we hope you can join us. This is our final celebration as a whole Junior School community for 2015 and we encourage as many parents and friends as possible to join us for this special, moving service.

### Sport

Good luck to the teams competing over the summer holidays that include the Kayaking Squad, First XI Cricket Team, First VIII Tennis Team and the Camberwell Grammar Swim Squad. Keep active over the long break and the Sport Department look forward to seeing you back in 2016 ready for the second half of the Summer Season.

**Jamie Watson, Director of Sport**

### Music

As I begin my final week at Camberwell Grammar School as Director of Music, and looking forward to a fitting conclusion to the school year with a beautiful Carol Service on Wednesday, I do want to thank the school community, boys past and present, parents past and present, staff past and present, School Councils, Organisations and Committees, for all the encouragement and support and indeed love that you have given me as a teacher all these years. Thank you to everyone for your many messages of appreciation and good wishes.

I have spoken many times this year about my years at CGS and have been overwhelmed by the number and heartfelt depth of the farewells given to me and to my wife Kay. The memories flood back and 2015 is a highlight. Fifty-one years of association with the School and its environs, and forty-five as a teacher, will remain life-long for me. Naturally, I leave with a heavy heart, but happy and content that it is the right decision and the Music Department is in safe hands for the next chapter and leave with no regrets. I very much look forward in the future to attending school functions at appropriate times and I wish everyone the very best for their future and will watch with keen interest the School’s continuing development, growth and success.

Farewell, Adieu and Amen.

**Trevor Henley, Director of Music**

Book Sale

* Due to building works we strongly suggest you enter via Gate 1 for quick and easy access to this year’s Book Sale *

The Second-Hand Book Sale provides school families with a great chance to sell text books that are no longer required, and stock up on good quality, second-hand textbooks for 2016. Your son should have brought home a Book Pack (or, if not, it should have arrived by mail) with information on how you can sell your second-hand books and calculators, and which good quality second-hand resources you can purchase at the Book Sale. All this information is also available on the Parent Portal (log in as usual and select School Community, then Friends of Library, to access the information).

Selling Your Second-Hand Books

Please carefully check that your books are the correct editions for sale, and use the handy checklist ‘How to Sell Your Second-Hand Books’ on the Parent Portal to ensure they are properly prepared for sale. You can also download the ‘Text Book Sale’ and ‘Calculator Sale’ form there. Books are sold for 2/3 of the ‘new’ price if in good condition, and the seller receives 75% of the sale price. The other 25% is used by Friends of Library to help support our School Libraries. Do not forget to pick up your queue ticket for the Book Sale, when you drop off your books for sale!
Donations of Unwanted and Unsaleable Books
If you have text books which do not meet the requirements (they are not the current Australian Curriculum editions approved for use at CGS) you may consider dropping them in our Donations Bin. Our charity partners will be able to use these books in their programs with schools in Papua New Guinea.

Buying Second-Hand Texts for 2016
Before you place your book order with Campion, we encourage you to check the pink 'Friends of Library Book List' to see which texts you can purchase second-hand at the Book Sale. This great service allows you to save money, get a head start on 2016 and support our School’s Libraries! Once you know which books you have been able to purchase from the Book Sale, you can complete your Campion order online.

Second-Hand Book Orders
If you are unable to attend the Book Sale, please download an order form from the Parent Portal. Orders will be filled at the conclusion of the Book Sale in the order of receipt. Please note some books may have sold out, and there are no returns or exchanges on Book Sale purchases.

Queue Tickets
The popularity of our Book Sale makes it important for us to manage the crowds, so do not forget to pick up your queue ticket for a time slot that suits you! They will be available at all the receiving days listed above, or if you cannot make one of those, pick up a ticket from the Development Office any time.

CGS Auxiliary Christmas Puddings
Limited numbers of the delicious CGS Auxiliary Christmas Puddings (in Camberwell Grammar School ceramic bowls) are still available for sale on the Trybooking link:
http://www.trybooking.com/146896
Small $26.00, Medium $33.00, Large $46.00. Your order is confirmed on payment and collection is from the CGS Development Office.

Friends of Basketball
Call for new committee members.
Friends of Basketball are calling on CGS Basketball families to join their committee. Please contact Ms Jessie Stasiak in the Development Office on dvt@cgs.vic.edu.au or 9835 1742 if you would like to become a committee member.

Swap Shop
Swap Shop - Direct Deposit
The Swap Shop Co-convenors are currently working with the school Information Technology department to create software that will enable us to pay our sellers by direct deposit. Establishing the process has been more complicated than we initially anticipated, so we have had to continue to pay sellers by cheque. We apologise for any inconvenience this may have caused and we hope to have the system up and running in time for the next payment run at the end of the year.

Seamstress
Recently our in-house seamstress has become unable to do our mending and repairs so we are looking for a parent or grandparent with tailor/seamstress skills who would be able to do some work for us. If you are interested or know of someone who might be able to do this please contact the Development Office (9835 1742) or email Ms Cathy Garrard on swapshop@cgs.vic.edu.au.

Just select ‘Home delivery’ as the Shipping option and enter the coupon code CGS so the school gets 5% of your order.

News from the Farms

Kangaroobie (home to the beef)

Make hay while the sun shines (and while the rain doesn’t fall). We are probably three weeks ahead of our normal hay season but the long term forecast is for very little rain so we have had to cut all we have. Thanks to all the people who did a rain dance for us but unfortunately it didn’t work.

The piglets are growing rapidly and will be perfect for Christmas hams (and bacon) so look out for the new products in December.

Grassy Plains (home to the lamb)

As predicted this Spring has been far too hot and dry; I have heard many unwelcome comparisons to the 1982/83 drought in the past few weeks. We have been planning for this for most of the year so, while it is not pleasant, we will get through and hope for a better year next year (predictions for next year are far better at this stage).

One of the very disappointing consequences of the drought is the migration of my beloved pair of Brolgas. These magnificent birds arrived in the area after the floods of 2010/11. Since then we have seen the same pair feeding across the farm; we assume they breed on a neighbouring property that has some big wetlands. Unfortunately, the wetlands have all but dried up and the Brolgas have not been seen for a few weeks now; they will have migrated looking for more permanent water. I am surprised by how much I miss coming into a paddock and seeing them there. I have been known to drop everything and just watch them for a good amount of time. Their absence may good for my productivity on the farm but I hope they return soon.

New products: Salt Kitchen Charcuterie sausages & cured meats

This month sees us add a whole new range of gourmet pork sausages and cured meats from our friend Mick Nunn at Salt Kitchen Charcuterie in Ballarat. Mick is very picky about the ingredients he uses and it shows in the products.

Recipe: Toulouse Sausage

In Gascony they sell sausages by the length. Toulouse sausages come in a coil to fit in a medium sized frying pan. Simply cook each side and serve them in the pan accompanied by good bread and your favourite selection of pickles, relishes and dips.

CGS Book Exchange 2015
Call for Volunteers!

It’s Term 4 already and we are looking for interested CGS parents to come and lend us a hand with this year’s second-hand Book Exchange.

The Book Exchange, run by the Friends of Library, enables parents to sell and buy second hand books – but in order for it to run successfully, we need more than 70 volunteers!

If you have helped in the past, or are looking for an enjoyable way to meet other parents and make a contribution to the school, here’s your chance!

This year, we need assistance on the night of the sale on Thursday 10 December, and also at a number of other times to help with receiving books, working on our computer systems, sorting and preparing books for sale, assisting with book orders and many other tasks. You can help us on:

Book Covering fundraiser

Sick of spending hours trying to cover school books with supermarket book coverings? Tired of vinyls that stick together with static, crinkle at the drop of a hat, and leave your books covered in bubbles and wrinkles?

Relax – help is at hand!

CGS Friends of Library are offering school families the opportunity to purchase “library standard” VIPA-EZI book covering. VIPA-EZI is a transparent covering (“contact”) which is much stronger than the covering found in newsagents and stationary suppliers (80 micron compared with only 15 micron). It’s easy to apply and, more importantly, easy to remove if you need to reposition it onto the book!

You’ll get books covered in next to no time, without the wrinkles or bubbles. Choose from 20m long rolls in two sizes - ‘Small’ 37.5cm wide (great for novels and A4 books) or ‘Long’ 60 cm wide (the most versatile as it will cover virtually any text book). Perfect, stress free results are EZI with VIPA!

Order now – here’s how!

Simply complete the order form below and return to the CGS Development Office and you can pick up your order from school almost immediately!

VCE Results are out - What happens next?

This following information session is offered to all students and their parents following the release of the 2015 VCE results on:

Tuesday 15 December

4.00pm to 5.00pm

Venue: Quinn Theatre, Wheelton Centre

Presenter: Mrs Lynette Reiger, Careers Counsellor

In this session the aims are:

• To explain the tertiary selection and offer process to students and parents.

• To provide an opportunity to ask questions with regard to the tertiary offer process and enrolment procedures which take place during January and early February.

• To consider the issue of transition from school to tertiary or employment and how best to prepare for this.

• Please call 9835 1777 or email Mrs Reiger at lar@cgs.vic.edu.au by Friday 11 December if you wish to attend.

In addition, individual Change of Preference counselling will take place from Monday 14 to Friday 18 December for those wishing to make individual appointments.
