Thank you to all of those parents who attended our information evenings this week. Aikido

Michael Tan (Year 10) has been studying the ancient art of Aikido and has been making excellent progress. He has recommended these martial art classes to any student at Camberwell Grammar School and recommends his teacher, Mr Scott Eggenton. The classes are not connected with the School, but further information can be obtained by contacting Mr Eggenton on 0401 410 318 or at www.southernschoolsof aikido.com.

Paul Hicks, Headmaster

Deputy Head

Year 7 – 12 Physical Education

While we eagerly anticipate the completion of the Sports Centre, the 2016 Physical Education program will again be utilising many local venues and community spaces. These include the Anniversary Trail, Aqualink (Box Hill), Balwyn Park, Boroondara Sports Complex, Deepdene Oval, Deepdene Tennis Club, Goodlife (Balwyn), Matlock Reserve Hockey Pitch, MCC Kew Bowls Club and Shenley Oval. Should you wish to find out more about the program, please do not hesitate to contact your son's Physical Education teacher or the Head of Physical Education Mr David Beardsley on dtb@cgs.vic.edu.au.

Mouth Guards

The School highly recommends the use of professionally fitted mouth guards for students playing contact sports and during Physical Education lessons, particularly whilst playing football and hockey. The School has a fitting day on Tuesday 23 February at lunch time in the PAC with the cost for the fitting and a mouthguard starting from \$60.00. Any student wishing to have a fitted mouthguard, as organised through the school, should collect a form from Mrs Sally White in the Sports Department by Friday 19 February. Alternatively, generic mouth guards can be purchased from most pharmacies or sport stores.

School Photographs

Last Friday, all students from Prep to Year 12 had their ID photos taken by our school photographer, Hikari Photographers.

Middle School students also had their official portrait and Form Group photos taken. These school photo packs will be sent home with your son later this term.

Please note the schedule for official school photographs for the remainder of the year:

| | |
|--------------------|--|
| Tuesday 8 March | Junior School portrait and class photos Family photos Middle School catch-up photos Senior School ID catch-up photos |

Students in group photos will each be provided with a card to take home from Hikari Photographers which contains a unique code and ordering information.

This year, a whole school photograph will be taken on Monday 15 February. These photographs are taken every five years with this year's photo marking Camberwell Grammar School's 130th year.

Year 8 Surf Camp

Glorious beach conditions greeted our Year 8 boys as they ventured to Anglesea and Ocean Grove for this week's Surf Camp. Activities such as these prove to be extremely positive bonding experiences and I congratulate the boys for the enthusiasm with which they participated. Many managed to stand up on surf boards for the first time and the educational sessions around water safety were valuable and enjoyable. My thanks to Ms Kirsty McDougall for organising an excellent few days and to the staff who accompanied our Form Groups.

Social Functions

I am looking forward to our Welcome Back Evening next Friday. These occasions provide a wonderful opportunity for parents to meet one another and the Middle School Staff. Our next major function for the term is the Year 7 Mums and Sons Breakfast in the PAC on Friday 18 March at 7.00am. Invitations to this event will be sent out in the coming weeks. Thank you to the Parents' Association and the Development Office for coordinating these functions for us.

Parent-Form Teacher Meetings

Year 6 and 7 Parent-Form Teacher Meetings will be held on Tuesday 16 February. You will soon receive an email that details the online booking system. The night also provides the opportunity for Year 7 parents to attend one of three camp information sessions. These sessions prove to be particularly valuable for parents, as many frequently asked questions about the Lord Somers camp are covered. The first session will commence at 5.00pm and will be repeated at 6.00pm and 7.00pm. Each session will be held in a classroom on the top floor of the William Angliss Building.

Curriculum Information Evening

The Middle School Curriculum Information Evening will be held on Wednesday 2 March in the Middleton Theatre, commencing at 7.30pm. The evening is relevant to all Middle School parents and will cover such topics as homework expectations, use of Schoology and Bring Your Own Device (BYOD), and types of assessment tasks and reporting. More details about the evening will be provided in the coming weeks.

Music

Welcome back to a musical year that promises to be active, interesting and enjoyable for our young performers and their audiences. Music in the Junior School grows throughout the year as our students commence instrumental studies and join ensembles. It is a path of discovery. Across the school, instrumental lessons and ensemble rehearsals commence next week. If your son learns a musical instrument at school, please access his lesson information through the [Parent Portal](#). Please see the [Music section](#) of this Bulletin for more information.

With Year 5 and Year 4 camps so early in the year, our Junior School Ensembles will recommence in Week 4. Junior School Choir rehearsals are on Tuesday and Thursday mornings at 8.10am for all interested students in Years 4 and 5. Junior School Orchestra rehearsals are on Fridays at 8.00am, commencing Friday 19 February.

We hope you enjoy a year of fine music with us.

Helen Thomas, Junior School Music Director

Parent-Teacher Meetings

| | |
|-----------------------|------------------|
| Wednesday 17 February | 3.40pm to 9.00pm |
| Thursday 18 February | 3.40pm to 6.00pm |

On these two evenings there will be an opportunity for you to meet with your son's classroom teacher, specialists and support staff. The purpose of this introductory interview is to provide an opportunity for you to meet your son's teachers and to share important information about your son.

As explained in the letter you received this week, Parent-Teacher Meetings can be booked on-line next week from 2.00pm Monday 8 February until 2.00pm Monday 15 February.

To keep boys and siblings safe we request they are adequately supervised during interview times. Please note, due to Government regulations boys who are not booked into Aftercare cannot join this group in outside play. As the Library is used for interviews it is also unavailable. There should be parking available in front of Kingussie and Pre-Prep parking at this time.

Tuesday 23 February, 8.30am to 10.00am, Wheelton Centre Room 201 (entrance near PrePrep path).

Number knowledge is a complex topic and children will learn at different rates. In this session parents will be exposed to the master keys that open doors for successful number learning and see how these key understandings can be developed.

The session will be an active hands on workshop intended to give parents simple strategies, ideas and games that can be played at home. These strategies and games will provide students with additional practice and assist in the development of mental computation and improved mathematical thinking and understanding of key ideas.

Music

Welcome to all Camberwell Grammar School musicians, all and all, who are beginning their musical journey in 2016. Music at Camberwell Grammar School draws boys together with a common goal and purpose, creating a continuous context for them to work together, and to strive for excellence. It is a privilege to oversee the many and varied ways in which music forms part of the school experience, and all of us in the Music Department are looking forward to seeing our returning students, meeting our new musicians and re-forming our school ensembles at every level of the school.

Individual Music Lessons

Individual music lessons begin on Monday 8 February and I encourage boys to consult their online timetables and note the day and time of their lesson in their School Diary. The timetable is carefully constructed by the Instrumental Staff under the guidance of the Music Office and rotates each week.

The Music lesson timetables are posted at 4.00pm each previous Friday, so that boys and parents can access their times in advance.

Students can access their music timetables through the [Curriculum Portal](#), under Group Links, then Music Timetables. Parents can access music timetables through the [Parent Portal](#) under the Curriculum, then Student Timetables.

New Students

If you wish to enrol your son for individual music lessons at the school, forms are available from the Music Office. Students may enrol at any time during the Term for lessons.

Music Ensembles all begin next week, starting Monday 8 February. If any student has been omitted from an appropriate ensemble he should contact the Music Office or speak to a member of the Music Staff. In order to maintain the standard of our performing groups, it is a requirement that all students playing in ensembles need to be receiving tuition on their instrument.

Calendar

The Performance Calendar for 2016 is currently being finalised and will be available from the Development Office, however, all important dates are included in the School Diary. In particular, I draw everyone's attention to the additional rehearsals prior to the two main concerts in May and September for boys who will be in the main school ensembles.

Recitals

Music Student Recitals are held in Terms 1, 2 and 3 and any students in the school are welcome to perform at these informal concerts whether he learns with a teacher at school or with an external teacher. They are an excellent way to obtain experience in performing in front of an audience. The dates of these recitals are in the School Diary. For more information please contact the Music Office on music@cgs.vic.edu.au.

The Middle School and Senior School Welcome Drinks and Savouries will be held in the Foyer of the Performing Arts Centre.

CGS Cafeteria Roster

The Camberwell Grammar School Cafeteria provides an important service to the school. A wide variety of foods and beverages are sold each day from breakfast to lunch time to boys as well as staff. The Cafeteria also provides a system of daily lunch orders which are delivered to the boys in the Junior School, Norge. The CGS Cafeteria is managed by Alliance Catering and two parent volunteers assist each day from 9.30am to 1.00pm.

Volunteers are asked to perform various tasks as required on the day. Those tasks may include packaging, wrapping and preparation of food such as sandwiches, rolls and fruit salad; serving the boys at both recess and lunch breaks; and occasionally washing dishes if necessary. The tasks are not arduous and parents enjoy the opportunity to help out at school while catching up with each other's news as well as seeing their sons if they come in to buy lunch. Volunteers take a lunch break when morning recess has finished and may choose a meal from the daily selection, free of charge.

It is usual for parents to offer to assist twice a term on the same nominated day. Offers to help fill short term vacancies or simply once per term can also be accommodated. Arrangements can sometimes be made should you wish to be placed on the roster with a friend; otherwise, it is an opportunity to make new acquaintances and participate in the School Community. All offers of assistance are gratefully received especially in the second half of the year as some volunteers find they are no longer able to assist because of changing circumstances.

The CGS Auxiliary oversees the smooth operation of the Cafeteria Volunteer Roster. For information contact the Cafeteria Roster Coordinator, Mrs Nicole Loidl on nicole@geotech.net.au or 0401 697 264, or the CGS Development Office on dvt@cgs.vic.edu.au or 9835 1742.
