### Sustainable Living

We were fortunate to have Mr Rob Gell (1970) speak at our Assembly this week. Rob is an Old Boy, a past parent and an active campaigner on environmental issues. He spoke to support two of our students, Eric Fan and Nathan Huyn (both Year 12), who have organised a student led group called 'Generation Zero' with the intention of encouraging us all to make small adjustments to our lives which will help us to live in more sustainable ways. Mr Gell was able to suggest a range of things students could do, and we look forward to further challenges from Generation Zero.

### Scholarship Examinations

Last Saturday we hosted hundreds of young men – some of them our own students - who came to sit for our scholarship examination. Our examination is conducted for us by an external group, Edutest, who provide the papers and also mark the students' work. Student performance is benchmarked to national performance standards and the results should be returned to us within a fortnight. Scholarships provide students who would not otherwise be able to attend our school with the chance to do so – and in return to contribute to and enrich the life of our school.

We do not have the benefit of large endowment funds to fund scholarships, so the number of successful applicants will be few. We are aiming to conclude the scholarship process by the end of Term 1.

### VCE Geography

Each year the GTAV (Geography Teachers' Association of Victoria) award VCE Certificates of Excellence, recognising student achievement in the study of Geography and in acknowledgement of the professionalism and dedication of their Geography teachers.

The following students from CGS were recognised for their achievements in VCE Geography in 2015:

- Year 12 (2015) - Timothy Allan, Cameron Clifford, Christian Papamarkos and Ganesh Ponnampalam
- Year 11(2015) - Mitchell Fletcher and Harrison Lucas

### Parent Education Seminar

A reminder that our next Parent Education Seminar, 'Building Resilient Families' will take place at 7.30pm on Monday 29 February 2015 in the Performing Arts Centre. Our guest speaker on the evening will be Adolescent Psychologist, Mr Andrew Fuller. He is a clinical psychologist working with many schools and communities in Australia and internationally, specialising in the wellbeing of young people and their families. He will suggest ways that families can work together in a harmonious manner as their children develop autonomy and independence.

Please let our convenor of the Parent Education Seminars, Mr John Allen, know if you are intending to come on [mja@cgs.vic.edu.au](mailto:mja@cgs.vic.edu.au). Further information is included in a flyer attached to this Bulletin.

### House Leadership Positions

I would like to congratulate all of the Year 8 boys who have applied for House leadership positions in recent weeks. I trust that this has been an invaluable experience for them regardless of the eventual outcome. We are blessed with great depth in each House and those who miss out on House Leadership positions will still be able to play important roles within Middle School throughout the year. We will look to announce the leadership teams next week.

## Walk For Youth

It is great to see that several boys have signed up to join Camberwell Girls' Grammar in their walkathon on Tuesday afternoon. It is \$5.00 to join the walk, with all proceeds going to Ladder, an organisation that supports homeless youth. I encourage all boys who are available next Tuesday to get involved. Interested students can sign up and pay at the Middle School Office.

## Parent/Form Teacher Meetings

It was great to see so many parents here last Tuesday for the Year 6 and 7 Meet the Form Teacher Evening. I trust that the night provided a valuable opportunity to meet with your son's Form Teacher and to discuss the start of his school year. We also ran three information sessions about the upcoming Year 7 Camp. If you were unable to make one of these sessions, please contact your son's Form Teacher or Ms Kirsty McDougall, the Director of Co-Curricular Activities on [kem@cgs.vic.edu.au](mailto:kem@cgs.vic.edu.au). An information booklet, which contains a clothing and equipment list, will be handed out to the boys in the coming days.

## Immunisations

Our Year 7 boys handled themselves with poise and maturity last Tuesday morning when they received the first round of the Gardasil vaccination. The free lollipops courtesy of the City of Boroondara were certainly well received! The next round of the vaccination will be delivered in Term 2.

## House Athletics

We completed an outstanding trial afternoon last Friday, which allows House Staff to select their teams for the House Athletics Carnival. The carnival at Bill Sewart Athletics Track in Burwood commences at 9.30am next Thursday 25 February. Spectators are most welcome at what should be a great day. The victorious House will be presented with the Athletics Cup at Assembly next Friday.

## Year 6 and 7 Camps

I know that many staff and students are excited about the upcoming year level camps. Year 7 boys will enjoy five days at Lord Somers Camp in Somers from Monday 7 March to Friday 11 March. Our Year 6 boys depart for Camp Manyung in Mt Eliza on Tuesday 15 March (following the long weekend) and return on Friday 18 March. Both camps boast wonderful facilities and ideal beachside locations. There is an excellent range of activities on offer and both camps focus strongly on building relationships within the year level. I am very much looking forward to spending time at both camps.

## Curriculum Information Evening

For your planning, we are running our Middle School Curriculum Information Evening on Wednesday 2 March, commencing at 7.30pm. The evening will take place in the Middleton Theatre (PAC), followed by tea and coffee upstairs in the Wilson Room. Mr Scott Wyatt, Deputy Head of Middle School, will deliver an informative presentation on our curriculum and staff will be available to answer questions on the night. Mr Wyatt's presentation will be relevant for parents with boys in all Middle School year levels. I will look forward to seeing many of you on the night.

*Rob French, Head of Middle School*

### Year 4 and 5 Camps

Having just returned from enjoying both the Year 5 and Year 4 Camps, I am once again trumpeting the virtues of such experiences for our boys. From the thrill of the flying fox, the skill refinement of archery, the push and pedal of bike riding, or the splash and wobble of canoeing on the Year 5 Camp, the boys embraced the opportunities to challenge themselves and in many cases experience the new. The Year 5 Camp is focused on group problem solving, leadership and perseverance, within a fun-filled supportive environment. Away from home and family, the boys gained a greater sense of independence, self reliance and camaraderie. They persisted with their problem solving during 'initiatives' and left their fears behind on the launch pad for the flying fox.

On the Year 4 Camp the boys practised their surf safety and learnt rescue techniques, before grabbing a board and riding the waves. The next day they were netting fish and learning about the health and ecology of the estuary. Later they would climb the lighthouse and canoe the river. Back at camp there were group rotations through the ropes course; mini golf and ball games.

Throughout their time on camp the boys developed friendships, grew in confidence and generated a lot of laughs and lasting memories. It was a privilege to have that time with the boys.

### Parking and Drop Off/Collection Procedures

As we are in the middle of term, it is timely that I request your continued observance of the parking and drop off/collection procedures:

- Please display your 'name sign' on your windscreen or dashboard. It helps us immensely to quickly identify the right boy.
- Please do not arrive early to collect your son as it congests the flow of traffic. Prep to Year 2 boys arrive at 3.00pm and Years 3 to 5 boys arrive after 3.15pm.

- Please avoid turning right into Gate 1 from Mont Albert Road.
- Just a gentle reminder, classes start at 8.40am and all boys, Prep to Year 5, should have arrived at school and be ready for the day by that time. Later arrivals make it difficult for the boys concerned and the teacher.
- Drop your son a block or two from school and encourage him to walk. He can use the Barnsbury Road or Mont Albert Road gates.

### House Swimming Carnival

All students in Years 3, 4 and 5 will participate in our Junior School Inter-House Swimming Carnival on Friday 4 March from 10.00am to 12.30pm at Bialik College. We invite and encourage all parents to attend. All boys participating will need a House swimming cap which can be purchased from the Junior School for \$10.00. Please contact Mrs Diane Collins, Deputy Head of Junior School, on [dmc@cgs.vic.edu.au](mailto:dmc@cgs.vic.edu.au) for more information.

*Nick Appleyard, Junior School Sportsmaster*

### Junior School Soiree

Each term, a Music Soiree is held in the Junior School, giving instrumental students the opportunity to gain performance experience in the presence of a warm and encouraging audience. Our Term 1 Soiree will be held on Wednesday 9 March at 6.00pm in the Music and Movement Centre. If your son would like to perform in the Soiree, he should collect a form from the M and M Centre and take it to his music lesson so that his music teacher can fill out the performance details. It is important that music teachers assist their students in the preparation of their performances pieces. Performance details for the Term 1 Soiree must be returned by Friday 4 March.

Boys who learn an instrument outside the school are most welcome to participate. This informal concert should conclude at approximately 7.30pm.

*Helen Thomas, Director of Music Junior School*

### Junior School Photo Day

On the morning of Tuesday 8 March, the Junior School class, individual and family photographs will be taken. The photographs will be delivered to parents early in Term 2. Boys are asked to ensure they are particularly neat and tidy for these photos. Correct Summer Uniform with the shirt as the outer garment is required. Please refer to page 26 of the 'Information for Parents 2016' booklet for the School policy on hair and jewellery. Boys with older brothers will have a family photo. If all siblings are in Junior School you do not need to do anything, a family photo will be taken; however, for siblings in Middle School and Senior School we ask you to complete a booking slip and return it to the Junior School office by Thursday 3 March. The information about family photos including the booking slip will go home to parents shortly. Unfortunately, if your son is late or absent on this day we cannot re-schedule photos but you will still receive a class photo.

*Diane Collins, Deputy Head of Junior School*

### Dates Ahead

### Sport

With only a couple of weeks to go in the Summer Season, please look out for information on Presentation Evenings, season break-ups and winter team and training details.

Mouthguard fittings are on again. Please collect a form from the Sport Department. Fittings are scheduled for Tuesday 23 February at lunchtime in the Performing Arts Centre.

### Sport Report

The First Table Tennis Team played PEGS for the second time in two weeks. All members of the team played well, and while a few close matches went PEGS's way, the team were clear winners on the day, finishing with 12 rubbers to 3.

The First Tennis Squad's recent matches against rivals Trinity have been close and results evenly split. Although competitive in early matches, the team failed to win an opening doubles set. Heading into the singles Alek Harper (Year 11) continued his good run of form, ably supported by Projit Banerjee (Year 11). The final score was Camberwell 4 sets (88 games) to Trinity 12 sets (107 games).

The 9A Tennis Team managed to overcome a strong challenge from Trinity this week. More consistent serving and thinking about their opponents' weaknesses started to pay off. Spike Johnson (Year 9) was a handy pick up winning both singles and doubles. Harley Beechey (Year 9) proved himself worthy of moving higher up the order with an excellent win in singles.

Well done to all players who came away with a victory - 7 sets, 59 games to 5 sets 53 games.

The Lawn Bowls A Team had another big win against Trinity, 35 to 5, with the B Team also having a comfortable win, 19 to 13, against Ivanhoe. The D Team lost to Ivanhoe 10 to 13 in what was a close tussle until the last few ends and the E Team, having started the day well, faded, losing to Trinity 10 shots to 15.

First Badminton had a hard fought win against Yarra Valley. Captain, Felix Wang's (Year 11) match against Yarra Valley's number one player went for three sets and lasted over an hour. The other matches were more easily decided and members of the Squad, including member Otto Zhao (Year 7), played strongly. The team were eventual winners, 5 rubbers, 9 sets, 242 points to 1 rubber, 2 sets, 156 points.

The First Cricket Team returned to the Summer Season to play rivals Trinity. Bowling first, Camberwell struggled to find wickets, Trinity finishing their overs at 4/212. Camberwell went into bat but early wickets soon saw the team at 2/16. A steady partnership between James Horn (Year 11) and Lachie Powell (Year 12) had the team at 4/76, before a batting collapse saw the team bowled out, shy of the required total.

The Swim Team headed up against a strong Yarra Valley squad last Friday. Some good racing and great team spirit saw the team walk away eventual victors, 14-13. Special mention and congratulations to swim team member, Connor Xu (Year 10), for placing third in his age group at the Australian Open Water Swimming Championships over the weekend.

And last but not least, Sunday saw the Triathlon Team head to Mordialloc to race in the second last race for the year. In tough conditions, the team raced well in all distances. Lachlan Waycott (Year 8) and Harry Swingler (Year 9) were stand out performers in the mini-race, finishing sixth and eighth respectively, while Peter Thorn (Year 10) led the charge in the sprint race finishing third in his age group, with another strong performance.

Gift packs and made-to-order hampers are also available. Ten percent of all proceeds go to the Camberwell Grammar School Scholarship Fund. Tastings available.

### CGS Cafeteria Roster

The Camberwell Grammar School Cafeteria provides an important service to the school. A wide variety of foods and beverages are sold each day from breakfast to lunch time to boys as well as staff. The Cafeteria also provides a system of daily lunch orders which are delivered to the boys in the Junior School, Norge. The CGS Cafeteria is managed by Alliance Catering and two parent volunteers assist each day from 9.30am to 1.00pm.

Volunteers are asked to perform various tasks as required on the day. Those tasks may include packaging, wrapping and preparation of food such as sandwiches, rolls and fruit salad; serving the boys at both recess and lunch breaks; and occasionally washing dishes if necessary. The tasks are not arduous and parents enjoy the opportunity to help out at school while catching up with each other's news as well as seeing their sons if they come in to buy lunch. Volunteers take a lunch break when morning recess has finished and may choose a meal from the daily selection, free of charge.

It is usual for parents to offer to assist twice a term on the same nominated day. Offers to help fill short term vacancies or simply once per term can also be accommodated. Arrangements can sometimes be made should you wish to be placed on the roster with a friend; otherwise, it is an opportunity to make new acquaintances and participate in the School Community. All offers of assistance are gratefully received especially in the second half of the year as some volunteers find they are no longer able to assist because of changing circumstances.

The CGS Auxiliary oversees the smooth operation of the Cafeteria Volunteer Roster. For information contact the Cafeteria Roster Coordinator, Mrs Nicole Loidl on [nicole@geotech.net.au](mailto:nicole@geotech.net.au) or 0401 697 264, or the CGS Development Office on [dvt@cgs.vic.edu.au](mailto:dvt@cgs.vic.edu.au) or 9835 1742.

## Building Resilient Families

### *For parents of students in Years 7 to 12*

Drawing upon his expertise as an adolescent psychologist, and offering insights from the twenty-two books he has published, Andrew Fuller will suggest ways that families can work together in a harmonious manner as their children develop autonomy and independence.

Topics will include:

- Building resilience in families
- Computer addiction and what to do about it
- The strengths and risks of young people
- Ten ways you can model resilience to your kids
- Effective communication with boys and girls

### Andrew Fuller

FELLOW OF THE DEPARTMENT OF PSYCHIATRY AND THE DEPARTMENT OF LEARNING AND EDUCATIONAL DEVELOPMENT AT THE UNIVERSITY OF MELBOURNE
