### Easter Services of Worship

We shall be holding special services of worship at all levels of the School during the last week of term:

- Wednesday 23 March, 9.30am: The Middle School will attend a Service at St Mark's Church. Parents and friends of Middle School boys are very welcome to attend this Church service.
- Thursday 24 March, 8.30am: The Senior School will hold a Lenten Service in the Performing Arts Centre with the visiting preacher The Right Reverend Lindsay Urwin OGS, Bishop to the Anglican Chaplains, who will address the students. Bishop Urwin is a past student of Camberwell Grammar School and we are very honoured to welcome him back to attend this service.
- Thursday 24 March, 1.00pm: The Junior School boys will attend St Mark's Church for their Service. Again, parents and friends are very welcome to join the congregation of staff and boys on this occasion.

### 2016 Asian Pacific Mathematical Olympiad

The Australian Mathematical Olympiad Committee has recently notified me that as a result of outstanding performances in recent mathematics contests, Charles Li (Year 10), Jeff Li and Oliver Papillo (both Year 9) have been selected as three of twenty-eight students to represent Australia in the 2016 Asian Pacific Mathematical Olympiad at Macquarie University in Sydney this April. This is a wonderful achievement and we congratulate and wish the boys all the best in this challenging contest.

*Paul Hicks, Headmaster*

### Year 7 Camp

Good luck to our Year 7 students as they embark on their camping adventure next week. Conditions at Somers look promising and I am sure that the boys will thoroughly enjoy the range of activities on offer. The week is strategically placed in the term to allow the boys to have a break from homework and other school routines and to re-charge their batteries for the final few weeks of the term. A prime focus of the camp is teamwork and building a strong community. We will aim to return to school by 3.20pm next Friday, with updates to be posted on twitter throughout the afternoon: [@CGSCamps](#).

### Curriculum Information Evening

It was great to see so many parents on Wednesday night for the Curriculum Information evening. Our aim was to cover a range of curriculum related topics and to articulate the values that underpin what we aim to achieve in the classroom and beyond. My thanks to Mr Scott Wyatt for running the evening, and to Mr Mark Dowley, Mr Colin Stein, Mr Ben Bishop and Ms Linda Wostry for their input. If you were not able to attend on Wednesday, you can access the presentation through the [Parent Portal](#).

### The Resilience Project

It was a pleasure to welcome Mr Hugh Van Cuylenburg from The Resilience Project to Middle School on Friday morning. Mr Van Cuylenburg's dynamic presentation to the students focused on the importance of building resilience and he shared some practical and effective strategies that can help with this. He also spoke about his time in India, where he worked in impoverished communities, and the lessons that he learnt from this amazing experience. I am sure that the boys gained a great deal from the morning and they were certainly left with a great deal to consider. It is wonderful that Mr Van Cuylenburg will also be our guest speaker at this year's William Angliss Dinner on Tuesday 10 May. The focus for the evening will be on how parents can help to foster resilience in their children and Hugh will share a range of practical tips. The dinner is open to all Middle School parents and always proves to be a great occasion. Invitations to the evening will be sent to families next term.

*Rob French, Head of Middle School*

### THRASS CHART - Prep and Year 1 Parent Information Session

Parents of boys in Prep and Year 1 are invited to attend an information session on Wednesday 9 March, 8.40am to 9.30am in the Year 1 Classroom, about the use of the THRASS chart within the classroom, and recommendations for use at home.

Miss Sandra Blajer, Year 1 teacher and Ms Octavia Rae, Literacy Intervention teacher, will be giving a talk on how to assist your son with reading, handwriting and spelling through the use of the THRASS chart.

### Junior School Photographs

#### Tuesday 8 March

This year our class, individual and family photographs will be taken by Hikari Photography. You will, as usual, receive a standard pack without charge; this comprises a class, individual and, if appropriate, family photo. You will also have the option of going online before these are delivered to choose extra photos if desired. Extra photos will be at a cost but delivery will be free with your standard pack. The final day to order extra photos for delivery to school is Friday 8 April, the last Friday of the term holidays. After that the extra photos can still be obtained online but will incur postage costs and will come directly to your postal address.

The photographs will be taken on Tuesday 8 March. Your son will come home with a name card, and on the back of that is all the information you require to go online to look at photos and order. The standard pack photographs cannot be changed.

Boys will need to wear Summer Uniform, with shirts as the outer garment. Please ensure your son is neat and tidy on the day with shoes polished, jewellery and hair as specified on page 26 of the 'Information for Parents - 2016' booklet.

As Year 7 boys are at camp on Tuesday 8 March family photographs for these boys will be on Tuesday 15 March.

*Diane Collins, Deputy Head of Junior School*

### South Yarra District Swimming Championships

On Wednesday 2 March, 25 Junior and Middle School boys travelled to The Melbourne Sports and Aquatic Centre to compete in the 2016 South Yarra Schools District Swimming Championships. Congratulation goes to the entire team who finished second in the Boys Schools Division. Several boys, highlighted below, have now qualified for the Beachside Divisional Championships which are being held on Friday 11 March at the Oakleigh Pool.

### Sport

Good luck to all teams in their final round of Summer Sport for 2016. A special mention to the Firsts' Badminton and Table Tennis Teams who are playing off for their respective AGSV trophies on Saturday as well as the Division 3 and 4 Squash Teams. Well done to the Triathlon Squad who finished in second place this season after a close contest against St Bedes.

Winter trials and training is well underway so please check the relevant noticeboards or email [sport@cgs.vic.edu.au](mailto:sport@cgs.vic.edu.au) for further information.

### Sport Report

The First Cricket Team played for the Ray Carroll Cup at Assumption last weekend. At 6-52 Camberwell looked to be in trouble, but a scintillating 62 from Rohan Chitale (Year 11), a composed 24 from Tom Cutter (Year 11) and an invaluable 12 from Ray Son (Year 9) saw Camberwell recover to be all out for 169. Assumption was one for none in the first over after Harrison Lucas (Year 12) hit the stumps for a direct hit run out. From there the fast bowling and accurate deliveries from Michael Liu (Year 12) and Harrison Lucas saw both finish with three wickets. Lachie Powell (Year 12) also deserves a special mention with a superb spell of 8 overs, 3 for 16. The final result was a 105 run victory to Camberwell, bringing home the Ray Carroll Cup.

The First Tennis Team's last match of the season was a Friday road trip to Assumption College. The first few games of doubles demonstrated Camberwell's superior net play and heavy hitting from the baseline. A 3-1 start in the doubles became a strong 6-2 lead to Camberwell after the reverse doubles, Benjamin Yep and Projit Banerjee (both Year 11), dominating the number one doubles position. Camberwell eventually won 11 sets (112 games) to Assumption 5 sets (80 games).

Following last week's nail biting finish against Mentone, the First Basketball Team were intent on finishing their season on a high against Assumption. An early morning road trip saw the boys secure a comfortable victory, with Aidan Stitz and Jack Perry performing well.

The Second Basketball Team also had an emphatic win against Assumption, Riley Verbi and Rowan Solomon (both Year 12) leading the team in both attack and defence. Camberwell finished the game clear winners with 54 to 18.

Friday saw the Swimming Squad head out to PEGS for the annual Duel in the Pool. Some fast times from Connor Xu, Jamie Forwood (both Year 10) and Lewis Clarke (Year 6) helped the team edge ahead on the points table, but the last couple of races saw PEGS come back, eventually defeating Camberwell by one race.

On Sunday, the Triathlon Team headed to Sandringham for the last race of the season. Once again tough conditions were the biggest challenge for most boys, but the likes of Lachlan Waycott (Year 8), Peter Thorn, Nicholas Liew (both Year 10) and Alastair Haslam (Year 11) pushed through the conditions to race well. A special mention and congratulations go to Peter Thorn who finished second in his age group, giving him Silver in the Victorian State Championship; a fantastic effort. Overall Camberwell finished the season in second place in the Boys' School Competition behind St Bedes, making it the tenth year in a row where the school has placed first or second in the competition. A great achievement.

### CGS Auxiliary - Call for Volunteers

The Auxiliary is one of the Parents' Association's support groups. The Auxiliary's main role is to provide hospitality and assistance on school occasions and to foster a spirit of community among the parents of the school, thereby encouraging participation and communication.

The activities of the Auxiliary include the preparation and sale of Christmas puddings, running of the cake stall on Open Day, coordinating the cafeteria roster and School Memorabilia. The Auxiliary also provides assistance at the Welcome Morning Teas, Parent/Teacher Meetings, Grandparents' Day, Year 12 Valedictory Dinner and other school functions as required.

Please contact Nicole Loidl on [nicole@geotech.net.au](mailto:nicole@geotech.net.au) or the CGS Development Office on [dvt@cgs.vic.edu.au](mailto:dvt@cgs.vic.edu.au) for further information.

### CGS Cafeteria Roster

The CGS Cafeteria is managed by Alliance Catering and two parent volunteers assist each day from 9.30am to 1.00pm. Volunteers are asked to perform various tasks as required on the day. Those tasks may include packaging, wrapping and preparation of food such as sandwiches, rolls and fruit salad; serving the boys at both recess and lunch breaks; and occasionally washing dishes if necessary. Volunteers take a lunch break when morning recess has finished and may choose a meal from the daily selection, free of charge. It is usual for parents to offer to assist twice a term on the same nominated day. Offers to help fill short term vacancies or simply once per term can also be accommodated. Arrangements can sometimes be made should you wish to be placed on the roster with a friend.

The CGS Auxiliary oversees the smooth operation of the Cafeteria Volunteer Roster. For information contact the Cafeteria Roster Coordinator, Mrs Nicole Loidl on [nicole@geotech.net.au](mailto:nicole@geotech.net.au) or 0401 697 264, or the CGS Development Office on [dvt@cgs.vic.edu.au](mailto:dvt@cgs.vic.edu.au) or 9835 1742.

### Karma Handmade Produce – Pop Up Shop

Drop into the Development Office on Tuesday 22 March to purchase a variety of sweet treats including nut toffee brittle, caramel popcorn, marbled rocky road and more! Gift packs and made-to-order hampers are also available. Ten percent of all proceeds go to the Camberwell Grammar School Scholarship Fund. Tastings available.

### Friends of Cricket

Friends of Cricket are now selling 50ml CGS sunscreen for \$10.00 each – SPF 30+ and four hours water resistant. The metal carabineer clip makes these perfect for school bags, sports bags, cricket, tennis, triathlon, and any other outdoor activities. Available for purchase from the Development Office.

### Friends of Library

#### Annual Social Dinner

New, current and past members of Friends of Library are warmly invited to help us kick off the year at our annual Social Dinner at Nakorn Siam Thai restaurant in Balwyn on Wednesday 9 March at 7.00pm. Please RSVP to Robyn Frampton on 0419 101 117 or [robyn@frampton.com.au](mailto:robyn@frampton.com.au) by Monday 7 March. We look forward to seeing you there!
